

4 April, 1977

Admiral Stansfield Turner  
Central Intelligence Agency  
Langley, Virginia

Dear Admiral Turner,

Congratulations on your appointment! This note is long overdue, I realize, and I can only offer my recent attendance at a school in Dallas, Texas, away from my typewriter, as an excuse. Nevertheless, I was thrilled to hear that you were being considered for the CIA Directorship, and I was very pleased when your confirmation was announced.
